

Information for Patients on Prescription Supply

Our GP practice is currently open, but to protect patients and staff from the risk of Coronavirus, we are limiting face to face contact.

Medicines are **not** in short supply, only order the medicines that you need from your GP practice.

Please use the GP practice online or telephone prescription ordering service to order your medicines.

Tell the practice which pharmacy you want to collect your medicine from, and the prescription will be sent there.

**New
continuous
cough**

Fever

**Shortness
of breath**

If you have any of these symptoms (new continuous cough, fever, shortness of breath) or had contact with someone with coronavirus **DO NOT** go to your Community Pharmacy, please go home and self-isolate. Please ask someone else to collect your medicines for you.
